Jim--

The resources that I thought most relevant from my perspective were probably examples of the kinds of Worth articles that could be written by people attending the symposium.

They include:

<http://worth.com/index.php/component/content/article/2-make/3946-the-top-power-lunch-restaurants>

http://worth.com/index.php?option=com_content&view=article&id=2910:10-great-american-weekends&catid=4:live

http://worth.com/index.php?option=com_content&view=article&id=2907:how-to-invest-in-the-booming-chinese-wine-industry&catid=3:grow

http://worth.com/index.php?option=com_content&view=article&id=1853:working-partners&catid=2:make

Good news on the Worth front: In addition to the three sections of the magazine in which we now cover wine from different perspectives (Make, Grow and Live), we are now adding a fourth section focused on luxury called Curator. So we're growing and adding more space for wine coverage.
